Figure S4 Survey promotion on Instagram

The screenshot shows an Instagram post from the account 'contraception4u'. The post features three images: a close-up of a white T-shaped IUD on a hand, a blister pack of white and yellow pills with days of the week labeled, and a collection of colorful condoms. The text of the post asks for user experiences with contraception during COVID-19 lockdown and provides information about a survey. The post is dated June 1, 2020, and has 126 likes.

**contraception4u**

**contraception4u** Looking for people who live in the UK and need contraception!

What's the experience of getting contraception during #COVID19 #lockdown?

Was it easy to get the usual method? Are people concerned about their next supply from a GP or clinic?

Tell us more! The answers will help us inform a Cross Party Group on Contraception enquiry and plan ahead for better access during and after full lockdown.

Swipe "learn more" to access the survey 🖱️
